

# WHITELEYS REDEVELOPMENT

## INFORMATION NOTICE 32

For: Expanded/Laing O'Rourke

---

**Notice regarding:** Section 61

**On:** 6<sup>th</sup> January 2020

---

Dear Neighbour,

**Re: New Section 61 agreement (Control of Pollution Act 1974)**

Wishing all our neighbours a Happy New Year!

This week, demolition contractors, Erith, are handing over the Whiteleys redevelopment to Expanded (part of the Laing O'Rourke group) to commence the piling and structural phase of the project.

An amended Section 61 agreement includes the following revisions:

Site hours remain 8:00-18:00 Monday-Friday and 8:00-13:00 Saturday.

Where Erith had specific hours of no noisy works throughout the week, 'quieter periods' of 8:00-9:00, 11:00-12:00, 14:30-15:30 and 17:30-18:00 (Mon-Fri) apply to Expanded's activities; during which, work will not create 'excessive noise' as determined by Westminster City Council. Such works include percussive breaking and pile obstruction works. No noisy works shall be carried out on Saturdays.

We will continue noise, dust, and vibration-monitoring for the duration of the project, reporting results to Westminster City Council monthly.

This consent is valid from 6<sup>th</sup> January 2020 until 31<sup>st</sup> October 2020, or until the completion of this phase of works; whichever is sooner.

If you have any questions regarding the information in this notice, please email [whiteleyscommunity@laingorourke.com](mailto:whiteleyscommunity@laingorourke.com) for your query to be delegated to the relevant Expanded team-member.

Kind regards,

Expanded
